Citizens for Better Medicare Action Fund

Citizens for Better Medicare Action Fund ("CBM") is organized and operated for the purpose of receiving contributions and making expenditures for exempt function activities within the meaning of section 527 of the Internal Revenue Code. CBM is engaging in an issue advocacy and grassroots lobbying program that will raise public consciousness about the importance of the social, economic and political values it favors and about the positions of incumbent public officials and candidates on those issues, without engaging in express advocacy for or against any identified candidates or group of candidates (as such terms or concepts apply for federal or state election laws).
